

10 Red Flags to look Out For

01 | They start dating you without getting over their ex.

02 | When they are not okay with being single.

03 | When you expect marriage to fix them.

04 | When their character is not what attracts you to them.

05 | When others don't celebrate the relationship.

06 | Your gut tells you they are not the right person.

07 | They have more opposite sex friends than same sex friends.

08 | They love bomb you.

09 | They are obsessed with social media.

10 | When they are trying to get something from you that they should only get from God.
